

# “Caring makes us Careful”

North Western Warehouse Company gives you more than just a truck... We give you a moving counselor to explain to you in detail every step of your move and give you a free estimate of the cost. We give you packers with the right containers for your belongings. We give you a driver and his team of assistants, who will load your possessions with two prime objectives: Be careful and be quick. And our modern computer system assures you of an

**INSTRUCTIONS:**

Carefully cut along the outside edge of the Allied Moving Van, making sure not to cut off any tabs. (Also be sure not to cut through the bottom of the truck.) Next, carefully cut around the *bottom half* of the wheels. Finally, make all folds along dotted lines and make slits to insert lettered tabs into slots. Start with Tab A and proceed in alphabetical order. For additional trucks, stop by North Western Warehouse Co. at 413 6th St. in downtown Rapid City.
